## Ordering tips:

For complete sizing information, pad descriptions, etc., please go to <http://www.voler.com>. Race cut is a tighter fitting cut, apparently preferred by "roadies". The Club cut is a looser fitting cut, apparently preferred by "dirtheads". The women's cut is slightly shorter, with more room in the northern region. Sorry, the smallest size jersey we offer is a women's small.

Shipping charges - please add \$4.20 for every two full size items that you order (don't count arm warmers - unless you buy a dozen or so). Your loot will be shipped via US Priority Mail. If you plan on picking up your loot, please let me know. **PLEASE DO NOT WAIT UNTIL THE LAST MINUTE TO SEND IN YOUR ORDER - AND DON'T TRY TO E-MAIL YOUR ORDER EITHER.** Please follow the instructions here and everyone's life will be much easier.
