DIRECTIONS: From the Bay Area 580/680 interchange, it should take about 30 minutes (at reasonable speeds) to reach CSVRA. Take I-580 east and exit at Greeneville Road. Turn left at the stop sign, then turn right on to Greeneville Road. Drive past Lawrence Livermore National Laboratory and turn left on to Tesla Road. CSVRA will be on the right. From Southern California, take I-5 north to I-580 (towards San Francisco). Exit at Corral Hollow and head west, 6 miles, to CSVRA.

Please Note: There is a large dirtbike hillclimb event taking place in the park on the weekend of the GGG race. Expect traffic delays in and out of the park, and look for signs for the special bike race entry gate along Corral Hollow road. Use this gate instead of the main entrance to the park.
